INTRODUCTION

The membership of the Board of Directors consists of the County Mayor of each county within the District; the Mayor of each municipality within the District; one Development Representative representing a local agency in each county dealing with problems of industrial, economic or community development or promotion; one State Senator; one State Representative; and Minority Member(s)-at Large.

The terms of Mayors on this Board coincide with their respective terms of office.

The State Senator and the State Representative shall be selected by the respective houses of the General Assembly for terms of two years or until the expiration of the term of office as Senator or Representative, whichever comes first. The Senator and Representative are selected at the beginning of each new General Assembly session.

The Development Representative from each county is appointed by the County Mayor for a four year term or until the expiration of the term of the official by whom such representative was appointed, whichever comes first.

The Executive Committee consists of one member from each county in the District, the officers of the District, the two legislative members, and the minority member(s)-at-large.

The Board Chair appoints as many as two minority members-at-large to the Executive Committee who serve a one-year term in order to provide fair representation to minority persons. The minority members are customarily elected officials from within the sixteen counties of the Development District.
