

## Transportation Needs Questionnaire for Local Officials

The East Tennessee Development District, under contract with TDOT, is preparing a transportation plan for Morgan County. As part of this process, we are seeking input from local citizens and officials on the transportation needs in each community. The roadway system under study includes state routes and the local routes classified as “Minor Collectors”, as shown on the attached map. Please complete this questionnaire and return to [dbrown@etdd.org](mailto:dbrown@etdd.org), or fax to 865-272-6010, or mail to East Tennessee Development District, P.O. Box 249, Alcoa, TN 37701-0249.

1. Is heavy traffic congestion a problem on any state highways or “Minor Collectors” in your community? If so, please describe the location and degree of congestion.

---

---

---

2. Are there any locations on state highways or “Minor Collectors” with a history of multiple severe crashes? If so, please describe the location.

---

---

---

3. Are you aware of any locations on state highways or “Minor Collectors” that may need new or updated signalization? If so, please describe the location.

---

---

---

4. Are you aware of any locations on state highways or “Minor Collectors” that may need new or updated signage? If so, please describe the location.

---

---

---

5. What improvements to state highways or “Minor Collectors” in your community might help promote economic development and job creation in your community?

---

---

---

6. Are improvements needed to the state or local roads providing access to your industrial park?

---

---

---

## Transportation Needs Questionnaire for Local Officials

7. Do you need additional sidewalks or reconstructed sidewalks on state highways or "Minor Collectors" in your community? If so, please provide details.

---

---

---

8. Is your community interested in new trails or greenways? If so, please describe location.

---

---

---

9. Is your community interested in new bicycle and pedestrian facilities? If so, please describe location.

---

---

---

10. Do you have any additional thoughts about needed transportation improvements to state highways in your community?

---

---

---
